From the North:

If coming from the M25, leave at junction 4, signposted A21 Orpington and Bromley. The slip road leads up off the motorway to a roundabout above. Turn Right (you have little other choice!) and along another stretch of dual carriageway to a roundabout at Badgers Mount. Take the first left, signposted Dunton Green. Follow the road to the next roundabout and go straight over. You will see a pub on your right and then a windmill on your left at the entrance of Polhill Garden Centre. Continue down Polhill and shortly after the bottom you will come to another roundabout. Turn Left, which takes you back over the motorway and into the top end of the village of Dunton Green. As you come into the village you will pass the Rose and Crown Pub on your left. About 100 yards past the pub you will see a 30 mph speed limit sign. The Clinic is immediately on your right just before the motorway bridge.

From the South

If coming from Tonbridge or Tunbridge Wells, from the A21 take the second Sevenoaks turning for the A25 East. Head towards Sevenoaks until you come to a mini roundabout at Riverhead. Turn left along a small stretch of dual carriageway to another mini roundabout. Carry on straight ahead, signposted Dunton Green. You will see a pub (the Bullfinch) ahead of you where the road bends to the right. Continue to the roundabout outside the TESCO store on your left. Continue straight over and through the village, past a parade of shops on your right. The clinic is at the end of the village on your left, just over the motorway bridge.

From the West.

If coming from the M25 keep to the right where the motorway splits to go left to the Dartford tunnel and right to the M26/M20. Almost immediately there is a turning on the left signposted A21 to Hastings. Take the first turning off the A21 signposted A25 Sevenoaks. Head towards Sevenoaks until you come to a small roundabout at Riverhead. Turn left along a small stretch of dual carriageway to another small roundabout. Carry on straight ahead, signposted Dunton Green. You will see a pub (the Bullfinch) ahead of you where the road bends to the right. Continue to the roundabout outside the new TESCO store on your left. Continue straight over and up a slight incline for 200 yards. Continue straight over and through the village, past a parade of shops on your right. The clinic is at the end of the village on your left, just over the motorway bridge.

From the East

If on the M20, leave at junction 3, Wrotham, signposted A227 to Gravesend and A25 to Sevenoaks. Follow the signs for the A25 through Borough Green, and Seal. Pass straight through two sets of traffic lights at the north end of Sevenoaks, still on the A25, until you pass under a railway bridge and come to a mini roundabout. Turn right, signposted Dunton Green. You will see a pub (the Bullfinch) ahead of you where the road bends to the right. Continue to the roundabout outside the new TESCO store on your left. Continue straight over and through the village, past a parade of shops on your right. The clinic is at the end of the village on your left, just over the motorway bridge.
